PICCADILLY SPECIAL

PICCADILLY SPECIAL

Piccadilly Special is one of our historic blends, dating back more than 70 years.

Four beans are combined in this exotic blend. Its aroma is sweet and nutty, thanks to mild balanced Santos beans, and the sweeter robusta beans from Honduras. Congolese Arabica brings a fine acidity, lemon spice, chocolate and caramel tones to deliver a hint of red berries to the blend.

A timeless blend, 'Piccadilly Special' is well rounded with exotic hints.
