SASSETTA ESPRESSO

Get ready for an intense coffee experience! This espresso has all the characteristics of a Milanese blend, with its dark, rich, spicy flavour.

Mixing beans from Costa Rican mountains and the forests of Peru with superbly-flavoured beans from Vietnam creates a well-rounded coffee that packs quite a punch.

This unique blend is not for the faint hearted! This blend is carefully roasted and packaged within 72 hours of roasting to ensure it arrives with you in the best possible condition.
