Billi Eco with XL Levered Dispenser

The opening stanza for the boiling & chilled range of drinking water appliances, the Billi Eco is the pioneer in space saving, energy efficient and environmentally conscious under-bench instantaneous systems. The high performing system is specifically designed for tight spaces, servicing smaller populations requiring fast recovery and is Global GreenTag certified to a Gold standard.

The XL levered dispenser is streamlined and elegant, offering boiling and chilled output delivered safely, compliant to AS1428 and at your own pace by operating the position-sensitive levers.
